Notes

1. FI rate includes accommodation, all meals, twice daily scheduled camp activities, park fees, laundry and all local drinks - excludes premium imported brands and champagne.
2. Ruckomechi, Little Ruckomechi Camps and Chikwenya are seasonal camps which operate annually between variable dates in April and mid November. This is as a result of access restrictions during the summer months.
3. Fishing at Ruckomechi and Little Ruckomechi Camps is possible on a catch and release basis from the bank or by boat. For those guests interested in leisure fishing (not the sole purpose of the safari), we include this as a standard camp activity at no extra cost, dependent on boat availability and/or guest numbers. The camp has some basic fishing tackle available - rods/reels/line/sinkers/hooks/steel trace as well as worms - which can be used to fish for bream (tilapia), barbel (catfish) and tigerfish. We do not stock any fly fishing equipment and for serious fishermen requiring sole use of a boat, a charge of US\$ 40.00 per hour per boat will be levied, payable direct. Do bear in mind however, that our priority for the camp boats is game viewing activities for our guests.
4. Note that all guests wishing to travel on a self-drive basis to Davison's Camp, Little Makalolo or Linkwasha in Hwange, are now permitted to drive directly into our concession as part of a trial run. 4x4 vehicles must be used and all guests must arrive at Davison's Camp before 12:00 - the ONLY meeting and parking point. Those guests continuing to Linkwasha and Little Makalolo will be met at Davison's and transferred in Wilderness vehicles to the relevant camp. When travelling in 2x4 vehicles, parking is at Hwange Main Camp only. The transfer pick-up time is 12:30 and parking costs of USD 5.00 per day (subject to change) must be settled direct with the park authorities at Hwange Main Camp. If transfers are required at any other time, then a private vehicle must be booked and charged for. Subject to change depending on season, note that Hwange National Park usually opens at 06:00 in summer and 06:30 in winter and closes at 18:30 in summer and 18:00 in winter.

Access to Hwange National Park remains through Main Camp only, as the official entry point. The Zimbabwe Parks & Wildlife Management Authority need to keep track of vehicles utilising the national parks plus self-drive guests must pay conservation fees and vehicle fees directly at the point of entry into the Park (Main Camp). It is an offence to use any undesignated entry point into the park, and offenders will be liable for any penalties incurred. Note that parking at Ngweshla picnic site is not an option.

It is a condition of travel with Wilderness Safaris that guests have travel insurance. Should they not have insurance cover, they will be personally responsible for any costs incurred as a result of a medical emergency or evacuation, as well as any other insurance claim situation such as loss of luggage.
